Invitation to Participate

Dear Colleagues,

It is with great enthusiasm that we invite you to showcase your company's commitment to advancing allergy and immunology research by supporting the **34th Biennial Symposium of the Collegium Internationale Allergologica (CIA)**. This prestigious event will take place from **27-31 October 2025**, at the Valamar Lacroma Dubrovnik Hotel in **Dubrovnik, Croatia**.

The CIA Biennial Symposium is a renowned forum that brings together the world's leading basic and translational scientists, clinical immunologists, and allergists. This exclusive gathering fosters interdisciplinary collaboration to advance understanding and treatment of immune-based disorders, with a focus on allergic diseases such as asthma, atopic dermatitis, and related conditions.

Why Support the CIA Symposium?

- **Unparalleled Access:** Engage directly with an elite international audience of experts and decision-makers in allergy and immunology.
- **Networking Opportunities:** Depending on your level of support, your team will have opportunities to connect with key opinion leaders, including access to the supporter networking lunch with the CIA Council and exclusive in-person meetings with selected Council members.
- **Enhanced Visibility:** Elevate your organization's profile through tailored sponsorship opportunities that align with your goals, ensuring maximum exposure during the event.

Building on the success of our past meetings, the 2025 Symposium promises to deliver cutting-edge research presentations, unpublished data, and vibrant discussions that inspire innovation. The picturesque Adriatic coastline of Dubrovnik will provide a memorable backdrop for both scientific exchange and social engagement, fostering collaborations that extend far beyond the Symposium itself.

We are confident that the 34th Biennial Symposium will offer unparalleled value to our supporters. Explore the following pages for a detailed overview of sponsorship opportunities and benefits designed to maximize your engagement and visibility.

On behalf of the Collegium Council and the Local Organizing Committee, we look forward to welcoming you to Dubrovnik. Together, let us shape the future of allergy and immunology through impactful partnerships and shared commitment.

Warm regards,

Prof. Thomas Bieber, MD PhD MDRA
President, Collegium Internationale Allergologica

Adnan Custovic, MD PhD FRCP FMedSci
Local Organizer, 34th Symposium

About the Collegium

The *Collegium Internationale Allergologicum* (CIA), founded in 1954, brings together top scientists and clinicians in allergy and immunology, fostering collaboration between academia and biopharma. About the *Biennial Symposium*

The **34th Biennial Symposium of the Collegium** will take place from **27-31 October 2025** at the Valamar Lacroma Hotel in **Dubrovnik, Croatia**.

Venue selection was guided by the international standards for medical conferences. The Valamar Lacroma Hotel is a 4-star business hotel with appropriate and technically modern conference facilities with easy access to the Čilipi Airport and public transportation.

As in past years, the bulk of the scientific program will come from abstracts submitted by the members of the Collegium. Abstract submissions are limited to unpublished data, as well as the latest advancements in the field of allergy and clinical immunology.

Reasons to Participate

- Maximize your company's visibility with the key opinion leaders in the field of allergy and clinical immunology.
- Make personal contact and collaborate with the key opinion leaders in the field.
- Listen to the latest significant scientific advances available, including unpublished data.
- Submit abstracts for presentation at the Symposium.
- Send representatives to the Symposium.

Compliance

The 34th Biennial Symposium of the Collegium Internationale Allergologicum has been designated as "Provisionally Compliant" by the Ethical MedTech Conference Vetting System (CVS). This independent system reviews the compliance of third-party educational events with both the MedTech Europe and Mecomed Codes, providing assurance to medical technology companies regarding the appropriateness of their support.

Additionally, the meeting complies with the EFPIA Code of Practice to align with ethical standards for interactions between healthcare professionals, organizations, and the pharmaceutical industry. This ensures that all sponsorships, grants, and commercial activities at the Symposium meet the expectations of transparency, professionalism, and educational value outlined by the EFPIA.

Additional Support Opportunities

Satellite Symposium

\$25,000

Industry sponsored Satellite Symposia are 60-minute sessions that are exclusively available to Platinum and Gold Supporters and will provide attendees with additional educational opportunities. These are independently organized and developed by the sponsor and CIA encourages interesting and highly academic sessions proposals, which will be of great interest to meeting attendees. The complete program description, including the speaker and all slides, is subject to CIA review and approval. Not approved for CME.

Benefits:

- Meeting room provided and arranged by CIA
- Breakfast or lunch for attendees, with food and beverage supplied by CIA
- Standard audio-visual equipment provided by CIA
- Recognition on the CIA website and Mobile App
- Pre-meeting email blast promoting the Satellite Symposium
- Push notification reminder sent via the Mobile App on the day of the session
- Meeting room signage featuring the sponsor's company logo

Montreal, Canada*

Poster Sessions

\$6,000

Support the essential infrastructure behind the Poster Sessions on Tuesday, 28 October and Wednesday, 29 October. Your sponsorship helps cover costs for the meeting room setup, poster boards, and related logistics, ensuring a seamless experience for attendees.

These 2-hour receptions provide a valuable opportunity for participants to view posters and engage directly with authors. Sponsors will receive recognition through event signage and inclusion in the daily agenda on the Mobile App.

Digital Abstract Book

\$5,000

All registered delegates will receive access to the Digital Abstract book before the meeting begins and they will frequently access this on-site. Sponsor will be recognized in the Mobile App, on information slides between sessions, on signage and on the website where attendees can access the book.

Hotel Key Cards

\$5,000

Put your company or brand logo on the electronic keycards given to delegates staying in the official meeting hotel. The Sponsor is responsible for the payment and production of the keycards and will work directly with the Valamar Lacroma Hotel for distribution.

Lanyards

\$5,000

Showcase your logo on the lanyards worn by every attendee during the Symposium. Since badges are required for entry to all meeting spaces, your branding will be prominently displayed around the neck of all participants. The sponsor is responsible for the production, payment, and delivery of at least 275 approved lanyards.

Wi-Fi

\$5,000

Support complimentary Wi-Fi access at the meeting venue. Sponsor's logo will be included in the mobile app, on informational slides between sessions and on on-site signage.

Water Bottles

\$3,000

Provide water bottles with your company's branding to all meeting attendees. Water stations will be available throughout the meeting space and water bottles will reduce the amount of disposable glassware needed. Sponsor is responsible for the production, payment, and delivery of at least 250 approved water bottles.

Hotel Room Drops

\$2,500

Build brand awareness by having a printed piece or item delivered to meeting attendee hotel rooms at the Valamar Lacroma Hotel. Collateral must be approved by CIA.

Mobile App

The Symposium Mobile App is a comprehensive guide to the meeting, including a complete schedule of activities, full abstracts, posters and much more. The app will be accessible to attendees before and after the meeting, extending the value of your sponsorship. The following mobile advertising and sponsorships are available.

Exclusive App Sponsorship: \$8,000

Benefits:

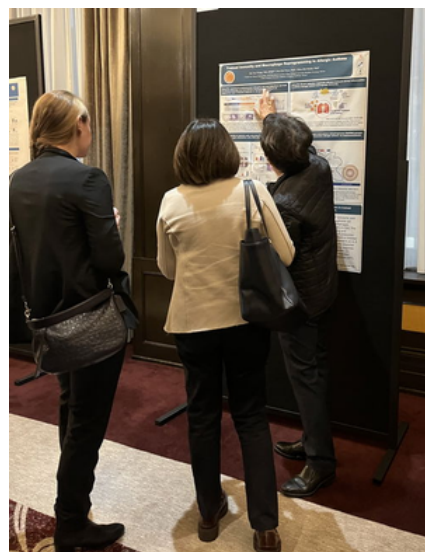

- Sponsor's company logo on the homepage of the app
- Recognition as a sponsor on the CIA website and in app-related emails to registrants
- One banner advertisement within the app for five days (27-31 October)

Please note: Banner ads within the app are available for purchase by any sponsors.

Rotating Mobile App Banner: \$1,000 per ad, per day

Four opportunities per day

Custom graphic [600Wx100H pixels] provided by the sponsor. Graphic will rotate with other ads on the mobile app home page. Ads are subject to CIA approval.

Alain L. de Weck Travel Grant

\$2,500 per grant

Named after the distinguished academic allergist and leader of the *Collegium* for several decades, the Alain L. de Weck Travel Grants provide essential funds for young scientists to attend the meeting. These funds will be paid directly to awardees to off-set the costs of their registration fee, hotel and travel. Priority will be given to young scientists from low and middle-income countries, under-represented minorities and applicants with high scoring abstracts

2023 Travel Grant Awardee Testimonials

“Attending the CIA meeting in Montreal was a great opportunity to interact with top allergy researchers, expand my network, and gain insights into the field’s current needs and opportunities.”

Paola Andrea Martinez Murillo, Switzerland

“Winning the Alain L. de Weck Travel Grant allowed me to attend the CIA Biennial Symposium in Montreal, where I networked and participated in the best scientific symposium I’ve ever attended.”

Lorenz Aglaz, Austria

"The award helped me present my PhD research in Montreal, where I improved my presentation skills and interacted with talented researchers in the allergy field."

Allyssa Phelps, Canada

Supporting the CIA Biennial Symposium not only offers a more rewarding experience for attendees, but also **maximizes your company’s visibility**. Support is not limited to these suggestions; CIA encourages new and creative ideas that contribute to the quality of our meetings and education.

Guidelines for Support

Logo Use

Only supporters of official CIA programs will be allowed to use the CIA name and logo in the promotion and marketing of their grant or sponsorship. All such usage must first be approved by CIA. The use of the CIA name and logo will be permitted to show the appropriate affiliation the supporter has with the program.

Management of Grants

The ultimate decision regarding the management of Grants, including the receipt and disbursement of funds, is the responsibility of CIA. Grants from supporters will be paid directly to CIA. Both the Supporter and CIA will conform to the terms of the letter of agreement they sign.

It is customary for CIA to use Grant funds for the planning, production, dissemination, and promotion of CIA educational programs. Grants may support administrative, rental, marketing, mailing and all other associated activity planning, development, and implementation costs.

Letter of Agreement

All partners will be required to sign a Letter of Agreement with CIA, outlining grant or sponsorship prerequisites and conditions.
